Collection Services

The City of Concord contracts solid waste and recycling services with Casella Waste Management. Collection services occur Monday through Friday (and through Saturday on holiday weeks). Trash and recycling are collected from your scheduled area once each week. Find our route map online at www.concordnh.gov/solidwaste to find your collection day.

Trash and recycling must be curbside by 7:00am on your collection day. A recycling bin has been provided for each residence by the City of Concord; however, any rigid container is acceptable to be used if it is clearly labeled as recycling. Recycling sticker labels and replacement bins are available at Concord General Services. Please do not use plastic bags for recycling.

PAYT trash bags must be used if you have curbside collection. You only pay per bag, while recycling is free! There is no limit to how many bags can be placed curbside each week for collection. However, the more you recycle, the more you save by using less bags! Retailer locations are continuing to increase throughout the City. Find more information online at www.concordnh.gov/solidwaste.
